

Hello guys! I hope we can take advantage of this page and get some work done in a different level...Here is our first activity (since it is the UN's anniversary I thought we could do some research on it) and to do that I want you to log on to:

PHSchool.com and take the option:

- Course content (you do not need a web access, just click on it)
- Select Social Studies, and from the option Infoplease Resource click on The United Nations Day

This will take you to the text named "The United Nations, in 1945, The United Nations was founded by peace-loving states." Read it and answer the questions that follow here:

1. When was the UN founded?
2. How many members does the UN have? Which are its newest members?
3. When is UN Day?
4. Is Mexico part of the UN members?
5. What is "The Nobel Prize?" Who wins it?"
6. What do you understand by "peacekeeping missions?"
7. Why do you think the UN carries out these "peacekeeping missions?"
8. Do you think organizations such as the UN really help peace-making around the world? Give reasons to support your answer.

The questions and their answers will be hand over to me during the week of October 27 to October 31 (they will count as a quiz for the month)

You need to include a presentation sheet and they can be typed or handwritten, your choice!

Enjoy this new adventure we are about to take together, I am looking forward to receiving your assignments on time!

If you have any questions do not hesitate to contact me... in the classroom... for now... Good luck!

Your teacher, Gloria Gálvez-World History III
